

# Visualising HPLS' Theory of Change

● = Substantive revisions/additions to previous ToC documentation

**HPLS Vision:** The human rights of people experiencing homelessness are recognised and respected. We help realise this vision by protecting the legal rights of people experiencing primary homelessness.

**HPLS Vision:** Everyone in our community has a secure, appropriate place to call home. We help realise this vision by helping people who are homeless, or at risk of homelessness, to resolve legal problems.
